Promo1 Start offers large reconfiguration possibilities. Choosing this modular exhibition stand, you get a set of 6 aluminium frames, which you can enlarge at any time. The basic variant gives you the opportunity to build over 20 different configurations thanks to which you can easily adapt it to your needs and preferences. Intuitive assembly without any tools and modularity of each structure will allow you to build in less than 15 minutes!

Replaceable magnetic panels help to change the marketing message when needed.

The Promo1 Start exhibition set is an effective medium for the promotion of the company and its marketing strategy. It is used in direct sales, organization of promotional stands area, tasting and all kinds of product presentations.
